## **Rainier Windows / Dealer Boat Show 2007 Promotion**

As an encouragement for dealers and brokers to show Rainier Windows Enclosures at any local Boat show in 2007, we are making available an additional 10% Discount!

The requirements to get this discount is simple, we are requiring that a Rainier Window “Clearly Better” static cling decal be placed in a prominent area of the window during the duration of the show to help promote our windows and your enclosure and company.

Please call us with details of the dealer and boat show and we will provide the decal and additional brochures for the event.

Please call if you have any questions!

Good Selling!
